20. How this work is?

Recommendations

- Address complex topics earlier in the conversation to reduce moments of uncertainty.
- Increase vocal variety and active participation to signal higher engagement.

Transcript Excerpt

Hello. Hello, since we're taking the call, my name is CISA with Cleanest Guy Energy and I'm a Reconna LINE, may I speak with Janini Corrier? Yes, I'm calling off behalf of Cleanest Guy Energy. I'll I send the letter to apply your Cleanest Guy Energy, so I'll give it to you for the local delivery, for the utility or in city or town energy program. The line is recorded for quality prices. I mean, the reason of calling is because you may be a little bit afraid to say that you're not able to let 3Z-D-Pound with their senior utility habits. Okay, okay, energy sounds, actually, not fixed rates for the lane-suffer contract. So, no matter how high energy price will work, your price is going to be increasing, you're increasing, you're increasing your chance. But, you can really get up to \$100 in these ideas, of course, when you're all the same as you know, I just can't confirm that you're qualified. Are you the kind of holder or a person authorized to make this feature in the account? Okay, do you receive any government assistance for your Anna's bill? No. Okay, are there rest in the envelope and in clean sky energy? No. Okay, in any of your time with the payments on your bill, okay, first. Based on your answers, do you qualify? Now it's on rolling these mean price for the simple and uninterrupted copy of your letter bill. And let me know once you have it, okay? Okay. Okay. Perfect. How does the names appear on the bill? Even it's yet to ask us how. In the name of the name of the name. Perfect. Perfect. What is the service? As well as the resource. And the bill. Even it's a different spell. You're five five gold. Welcome. And I also draw one. Okay. In what space it code? Oh, it's the three. Oh, okay. for the first of the government is a building as we disengaged service address, perfect. To provide them with the correct rate, what is the name of the utility company clear? In the National Board, perfect. In what's your account number? Number. 166. 96. 166. 0. 0. 1. Perfect. And your four number is 5. 0. 0. 0. 0. Yes. Okay. Great. Do you have three? For quality assurance for a person. What is your birthday? Just one and a day. 8. 6. First of all. Can you have any other electric bills for this or any other location? May I have your email address, Mom? Any of your who will go on? For sure. For sure. Okay. Great. The Echo Reguals, 129, Alfred 129, of 100, bringing up with the electricity and a fixed rate of 20,000, 99 cents per kilowatt hour with non-monglie seats and 50 dollars in undergraduate card dispersed over the course of the contract. This means that no matter how much energy use or any market or weather change, your rate would not go up during the 10. Additionally, the energy consumption with a match 100% with the renewable energy to take place. This means that the renewable energy starts from solar, wind, or high, or LED power, or other renewable energy will return at the other jobs. If you decide to consult your price for station plan after a recess ... [full transcript available in the web app]
